REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The specific limitations of the blade moving means recited in the claims are not anticipated or made obvious over the prior art in the examiner's opinion.

For example 3,815,694 discloses in figures 1-2 a tool having a shaft, tang and a chamber with a cutting blade positioned therein, the blade being movable between a retracted and extended position. '694 does not however disclose the specific blade moving means claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
